*Portfolio: <https://francisco10-dev.github.io/>*

## PROFESSIONAL EXPERIENCE

---

### Acib Funin

Software Developer Intern

**Guanacaste, Costa Rica.**

*feb 2023–jun 2024*

- Designed and developed an administrative system for the Human Resources department, utilizing modern technologies such as ReactJS, NodeJS with Express, and MySQL databases.
- Implemented a RESTful API with Node.js and Express.js to facilitate efficient and secure data exchange between the frontend and backend.
- Optimized internal processes of the Human Resources department, reducing response times and improving data management accuracy.
- Worked effectively in a multidisciplinary team, collaborating with other developers to ensure the quality of the final product.
- Incorporated end-user feedback and made continuous adjustments to ensure the system met the specific needs of the department.
